

# About Us

B.Ed. Division of SCERT is established with the vision to develop passionate and reflective teachers in order to achieve the goals of school education efficiently and effectively through its B.Ed. programme.

The B.Ed. Division organises B.Ed. programme for those who aspire to become school teacher and those who are already working as Assistant Teacher in the schools of Directorate of Education in GNCT of Delhi and wish to be promoted and teach at upper primary, secondary or senior secondary levels. The B.Ed. degree programme offered by the B.Ed. Division is recognised by the National Council of Teacher Education (NCTE) and affiliated to Guru Gobind Singh Indraprastha University (GGSIPU), New Delhi

Copyright certificate has to be attached in the Google Form.

## Eligibility

All B.Ed. / B.El.Ed. students of Delhi and NCR degree colleges/ institutions/ universities are eligible to participate in this competition.

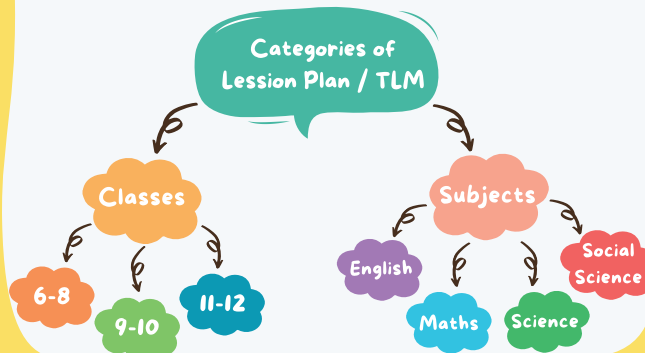

## ABOUT THE COMPETITION

SCERT B.Ed. Division, Delhi has initiated an Inter-College Competition on Lesson Plan and/or TLM aiming at the promotion of the innovative pedagogies in the light of NEP 2020 for enjoyable and engaging learning.

**For detailed information, please click the following link**  
<https://shorturl.at/7fk2c>

Through this competition, budding teachers will get a chance to execute their teaching aptitude.

Student-teachers will get an opportunity to use innovative practices and incorporate them in their Plans and/or TLMs for effective classroom interaction.

## Objectives

This competition will provide student-teachers an opportunity to:

- develop potential for preparing Lesson Plan and/or TLM based on NEP 2020 recommendations.
- organise and reflect their innovative idea about content/concept
- create a healthy competition to excel in their professional lives.
- demonstrate budding teachers' innovative teaching skills.
- appraise the best practices in teaching-learning process.

## Timeline

All nominations will need to be submitted by 20th Sept., 2024.

"Educationists should build the capacities of the spirit of Inquiry, Creativity and Critical Thinking."
